Department of Audiology and Speech-Language Pathology

Self-study plan for the theory examinations

B.ASLP · Semester I theory · B1.1 to B1.4 · December 2026

Source notice: YU/COE/Exam/Notification 1/Dec/2026, dated 06.11.2026, from the Controller of Examinations, Yenepoya (Deemed to be University). University theory examinations for semester I B.ASLP commence on 11 December 2026. The paper-wise timetable will be intimated shortly.

This booklet is the Semester I self-study timetable, Thursday 12 November 2026 to Thursday 10 December 2026. It is not the examination timetable. College remains 8:30 am to 3:30 pm. In each day's table, a line marked [college] is a meal, the bus or a class, not a study block. When the Controller publishes the paper order, move 7 to 10 December so each paper's full day falls just before that paper.

How to use the days

Class day (Monday to Saturday, except 27 November)

6:15–7:00 am Morning recall, book closed, then get ready for the 8:10 bus.

8:30 am–3:30 pm College and clinics. Lunch 12:30–1:30. Not self-study.

5:15–6:25 pm Main paper, new work.

6:40–7:25 pm Same paper, short answers.

8:05–8:50 pm Paired paper, one page already studied.

8:50–9:05 pm Error log. In bed by 10:30 pm.

Sunday

7:20–10:45 am First paper, with a break at 9:00.

11:00 am–3:00 pm Second paper, with lunch 12:30–1:30.

3:15–4:30 pm Mixed recall and the error log. Evening is free.

Friday 27 November, if the University confirms the holiday

8:15–12:00 pm One paper: diagrams, then questions.

12:00–1:30 pm Lunch and rest.

1:30–3:25 pm Weak pages only, then stop.

Study camp, 7 to 9 December (10 December has its own clock)

7:30–8:00 am Blank map of the paper.

8:00 am–12:30 pm Three study blocks, with breaks.

1:30–4:30 pm Diagrams, then a timed set.

7:30–8:15 pm Gap list only.

Rules that sit above the plan

1. This timetable is for Semester I theory only: B1.1, B1.2, B1.3 and B1.4. B1.5 and B1.6 stay on the practical and clinical roster.

2. College is 8:30 am to 3:30 pm, with lunch 12:30 to 1:30. The hostel bus leaves at 8:10 am. Self-study does not replace a class or a posting.

3. On a class day you study 6:15 to 7:00 am, then 5:15 to 7:25 pm and 8:05 to 9:05 pm. That is about three hours. Sundays and 7 to 10 December are longer.

4. You still need 50% in the theory paper, and also in internal assessment, practicals and the clinical examination.

5. The paper order is not out yet. When it is published, keep these topics and move the 7 to 10 December camp so each paper's full day falls just before that paper.

6. 10 December: last new work ends at 4:00 pm. Pack the hall ticket, identity card, pens and water, and sleep.

Pass mark: 50% in each theory paper, and also in internal assessment, practicals and the clinical examination. A strong theory week does not repair a failed practical or a clinical attendance shortage.

Ticks on the website stay in the student's browser. This PDF is the copy to print and keep.

Semester I

Semester I theory only. College is 8:30 am to 3:30 pm. On a class day the self-study clock is 6:15–7:00 am, 5:15–7:25 pm and 8:05–9:05 pm. B1.5 and B1.6 stay on the practical roster.

Theory papers in this campaign

B1.1 Introduction to Speech-language Pathology (Theory 50 + IA 25)

B1.2 Introduction to Audiology (Theory 50 + IA 25)

B1.3 Anatomy and Physiology of Speech and Swallowing (Theory 50 + IA 25)

B1.4 Anatomy and Physiology of Hearing (Theory 50 + IA 25)

1. Thu 12 Nov · Class day · B1.1

Speech chain and the bases of speech

Time **Block** **What to do**

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.1 · first sitting
Speech chain and the bases of speech. Speech, language and communication, and how they differ.

6:25–6:40 pm Break
[college] Stand, water, no phone.

6:40–7:25 pm B1.1 · questions
Servo system, Shannon-Weaver, Lasswell and Berlo, drawn once each.

7:25–8:05 pm Dinner
[college] Eat away from the desk.

8:05–8:50 pm B1.3 · second sitting
One page of B1.3 you have already studied. Shut the book for the last 15 minutes. Speech chain and speech as an overlaid function.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Define speech, language and communication, then draw the speech chain with no notes.

2. Fri 13 Nov · Class day · B1.2

Decibels, hearing range and the JND

Time **Block** **What to do**

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.2 · first sitting
Decibels, hearing range and the JND. Absolute and relative units, and why the decibel is used.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.2 · questions
MAP and MAF, and the human hearing range.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.4 · second sitting
One page of B1.4 you have already studied. Shut the book for the last 15 minutes. Just noticeable difference for intensity, frequency and time.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Explain MAP versus MAF in four lines, and give one clinical use of the JND.

3. Sat 14 Nov · Class day · B1.3

Planes, larynx and the articulators

Time	Block	What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.3 · first sitting
Planes, larynx and the articulators. Anatomical terms, positions and planes.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.3 · questions
Development of the larynx and respiratory structures.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.1 · second sitting
One page of B1.1 you have already studied. Shut the book for the last 15 minutes. Respiratory structures, oral articulators and the resonators.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Label a blank larynx: cartilages, folds and one intrinsic muscle, from memory.

4. Sun 15 Nov · Sunday · B1.1 + B1.2

Boss: chain and the audiogram key

Time Block What to do

7:00–7:20 am Set the desk
Two papers only: B1.1 and B1.2. One notebook. Phone in another room.

7:20–9:00 am B1.1 · first sitting
Boss: chain and the audiogram key. Morning: speech chain and one model, closed book after 9:30.

9:00–9:15 am Break
[college] Walk. Do not revise on the break.

9:15–10:45 am B1.1 · questions
Book open for 20 minutes, then closed. Midday: hearing-loss words you already know, plus dB and range.

10:45–11:00 am Break
[college] Snack.

11:00 am–12:30 pm B1.2 · first sitting
Afternoon: list ten terms you could not retrieve.

12:30–1:30 pm Lunch and rest
[college] Eat, then 20 minutes with your eyes closed.

1:30–3:00 pm B1.2 · questions
Short notes. Mark them before you look anything up.

3:00–3:15 pm Break
[college] Step outside.

3:15–4:15 pm Mixed recall
Both papers, book closed.

4:15–4:30 pm Error log
Three points for the weekday evenings. Then stop. The evening is free.

Tick this day only after: Write the speech chain and the air-bone symbol key without opening a book.

5. Mon 16 Nov · Class day · B1.4

Pinna, canal and head shadow

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.4 · first sitting
Pinna, canal and head shadow. Development of the external, middle and inner ear, in one page.

6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.4 · questions
Pinna and external canal: auditory and non-auditory jobs.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.2 · second sitting
One page of B1.2 you have already studied. Shut the book for the last 15 minutes. Head shadow, interaural intensity difference and interaural time difference.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Explain, with a sketch, why a high-frequency sound is shadowed by the head.

6. Tue 17 Nov · Class day · B1.1

Development and how therapy is planned

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.1 · first sitting
Development and how therapy is planned. Stages of speech and language development, and what changes them.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.1 · questions
Formal, informal and eclectic approaches.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.3 · second sitting
One page of B1.3 you have already studied. Shut the book for the last 15 minutes. Goals, steps, procedures, and schedules of reinforcement.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Plan a three-step therapy goal for a late talker, using one reinforcement schedule.

7. Wed 18 Nov · Class day · B1.2

Types and causes of hearing loss

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.2 · first sitting
Types and causes of hearing loss. Conductive, sensorineural, mixed and central: one feature each.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.2 · questions
Congenital and acquired; prenatal, perinatal and postnatal causes.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.4 · second sitting
One page of B1.4 you have already studied. Shut the book for the last 15 minutes. How the same cause can look different in a child and an adult.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Sort eight causes into conductive or sensorineural without looking back.

8. Thu 19 Nov · Class day · B1.3

How speech is produced

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.3 · first sitting
How speech is produced. Quiet breathing versus speech breathing, and posture.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.3 · questions
Role of the larynx and the mechanism of phonation.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.1 · second sitting
One page of B1.1 you have already studied. Shut the book for the last 15 minutes. How speech sounds and resonance are produced.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Trace one oral vowel from lung to lips, naming the valve at each stage.

9. Fri 20 Nov · Class day · B1.4

Middle ear transformer

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.4 · first sitting
Middle ear transformer. Tympanic membrane and the ossicular chain.

6:25–6:40 pm Break
[college] Stand, water, no phone.

6:40–7:25 pm B1.4 · questions
Areal and lever ratios, in plain language.

7:25–8:05 pm Dinner
[college] Eat away from the desk.

8:05–8:50 pm B1.2 · second sitting
One page of B1.2 you have already studied. Shut the book for the last 15 minutes. Eustachian tube: what it does, and what fails when it does not.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Explain the transformer action to a classmate in under two minutes.

10. Sat 21 Nov · Class day · B1.1

Speech disorders and swallowing, in overview

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.1 · first sitting
Speech disorders and swallowing, in overview. Fluency, voice and phonological disorders: one definition each.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.1 · questions
Feeding and swallowing disorders, at introduction level.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.3 · second sitting
One page of B1.3 you have already studied. Shut the book for the last 15 minutes. What assessment and management look like, without the later-semester detail.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Give one assessment clue and one management idea for fluency, voice and phonology.

11. Sun 22 Nov · Sunday · B1.3 + B1.4

Boss: larynx and cochlea

Time Block What to do
7:00–7:20 am Set the desk
Two papers only: B1.3 and B1.4. One notebook. Phone in another room.
7:20–9:00 am B1.3 · first sitting
Boss: larynx and cochlea. Draw the larynx and name the phonation steps.
9:00–9:15 am Break
[college] Walk. Do not revise on the break.
9:15–10:45 am B1.3 · questions
Book open for 20 minutes, then closed. Draw the cochlea in cross-section: scalae, basilar membrane, organ of Corti.
10:45–11:00 am Break
[college] Snack.
11:00 am–12:30 pm B1.4 · first sitting
One function sentence under each label.
12:30–1:30 pm Lunch and rest
[college] Eat, then 20 minutes with your eyes closed.
1:30–3:00 pm B1.4 · questions
Short notes. Mark them before you look anything up.
3:00–3:15 pm Break
[college] Step outside.
3:15–4:15 pm Mixed recall
Both papers, book closed.
4:15–4:30 pm Error log
Three points for the weekday evenings. Then stop. The evening is free.
Tick this day only after: Both drawings, closed book, with at least eight correct labels each.

12. Mon 23 Nov · Class day · B1.2

Case history and tuning forks

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.2 · first sitting
Case history and tuning forks. What must be in an adult history and a child history.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.2 · questions
Rinne, Weber, Schwabach and ABC: procedure and reading.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.4 · second sitting
One page of B1.4 you have already studied. Shut the book for the last 15 minutes. Advantages and limits of tuning-fork tests.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: A Rinne-negative ear: say what you expect on Weber, and what it does not prove.

13. Tue 24 Nov · Class day · B1.3

Swallowing structures and stages

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.3 · first sitting
Swallowing structures and stages. Oral cavity structures used for the swallow.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.3 · questions
Pharynx and esophagus.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.1 · second sitting
One page of B1.1 you have already studied. Shut the book for the last 15 minutes. Oral, pharyngeal and esophageal stages, in order.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: List the stages of the swallow and one structure that must work in each.

14. Wed 25 Nov · Class day · B1.4

Labyrinth and the travelling wave

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.4 · first sitting
Labyrinth and the travelling wave. Bony and membranous labyrinth.

6:25–6:40 pm Break
[college] Stand, water, no phone.

6:40–7:25 pm B1.4 · questions
Cochlear fluids, hair cells, innervation and blood supply.

7:25–8:05 pm Dinner
[college] Eat away from the desk.

8:05–8:50 pm B1.2 · second sitting
One page of B1.2 you have already studied. Shut the book for the last 15 minutes. Travelling wave and place: base versus apex.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Explain why a high-frequency tone peaks toward the base.

15. Thu 26 Nov · Class day · B1.1

Language disorders and early identification

Time Block What to do

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.1 · first sitting
Language disorders and early identification. Child, adult and neurogenic language: how the overview differs.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.1 · questions
Causes, and the bilingualism points in this paper.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.3 · second sitting
One page of B1.3 you have already studied. Shut the book for the last 15 minutes. Early identification and prevention.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Name two reasons a bilingual child can be over-identified, from this unit.

16. Fri 27 Nov · Holiday · B1.2

Pure-tone method, on a holiday

Time Block What to do
8:00–8:15 am Check the notice
27 November is Kanakadasa Jayanti on the Karnataka list. If the University holds class, switch to the class-day clock.
8:15–10:00 am B1.2 · diagrams
Pure-tone method, on a holiday. Kanakadasa Jayanti is a Karnataka general holiday. Confirm the University list before skipping class.
10:00–10:20 am Break
[college] Eat if you have not. Stretch.
10:20 am–12:00 pm B1.2 · questions
If it is a holiday: audiometer parts, symbols, Hughson-Westlake, factors affecting AC and BC.
12:00–1:30 pm Lunch and rest
[college] A holiday includes the rest.
1:30–3:10 pm B1.2 · weak pages
If class is held: do the evening rhythm after college.
3:10–3:25 pm Close
Error log, tick the day, and stop by 3:30 pm.
Tick this day only after: Plot a sketched audiogram and name the symbols for AC, BC, masked and no-response.

17. Sat 28 Nov · Class day · B1.3

Close the anatomy gaps

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.3 · first sitting
Close the anatomy gaps. Five embryonic anomalies that affect speech or swallowing.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.3 · questions
Fluency, voice, articulatory and resonatory disorders, as examples only.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.1 · second sitting
One page of B1.1 you have already studied. Shut the book for the last 15 minutes. Redo any larynx or swallow label you missed on 22 November.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Five anomalies, each with the structure it affects.

18. Sun 29 Nov · Sunday · All four

Boss: twenty definitions

Time Block What to do
7:00–7:20 am Set the desk
Two papers only: First paper and the other theory paper. One notebook. Phone in another room.
7:20–9:00 am First paper · first sitting
Boss: twenty definitions. Five terms from each theory paper.
9:00–9:15 am Break
[college] Walk. Do not revise on the break.
9:15–10:45 am First paper · questions
Book open for 20 minutes, then closed. Write the definition first, then check.
10:45–11:00 am Break
[college] Snack.
11:00 am–12:30 pm the other theory paper · first sitting
Star the ones you missed. They become 3 December.
12:30–1:30 pm Lunch and rest
[college] Eat, then 20 minutes with your eyes closed.
1:30–3:00 pm the other theory paper · questions
Short notes. Mark them before you look anything up.
3:00–3:15 pm Break
[college] Step outside.
3:15–4:15 pm Mixed recall
Both papers, book closed.
4:15–4:30 pm Error log
Three points for the weekday evenings. Then stop. The evening is free.
Tick this day only after: Twenty definitions, book closed, at least fifteen correct.

19. Mon 30 Nov · Class day · B1.2

Speech audiometry

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.2 · first sitting
Speech audiometry. Why speech audiometry is done, and which materials exist.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.2 · questions
SRT and word-recognition score: procedure and use.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.4 · second sitting
One page of B1.4 you have already studied. Shut the book for the last 15 minutes. SDT, MCL and UCL.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: State what SRT and WRS each tell you that the pure-tone average does not.

20. Tue 1 Dec · Class day · B1.1

The profession

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.1 · first sitting
The profession. Code of conduct and the interdisciplinary team.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.1 · questions
Diagnostic, therapy and referral notes: what each must contain.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.3 · second sitting
One page of B1.3 you have already studied. Shut the book for the last 15 minutes. Evidence-based practice, follow-up, CBR, and facilities for persons with disability.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: List five headings you would put on a therapy note.

21. Wed 2 Dec · Class day · B1.4

Auditory nerve and the pathway

Time **Block** **What to do**

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm B1.4 · first sitting
Auditory nerve and the pathway. Auditory nerve: anatomy and what it carries.

6:25–6:40 pm Break
[college] Stand, water, no phone.

6:40–7:25 pm B1.4 · questions
The central pathway, station by station.

7:25–8:05 pm Dinner
[college] Eat away from the desk.

8:05–8:50 pm B1.2 · second sitting
One page of B1.2 you have already studied. Shut the book for the last 15 minutes. One job of each station, in a single clause.

8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.

Tick this day only after: Recite the pathway from spiral ganglion to cortex, in order.

22. Thu 3 Dec · Class day · Weak units

Redo the red marks

Time **Block** **What to do**

6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.

7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.

8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.

1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.

3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.

5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.

5:15–6:25 pm Weak units · first sitting
Redo the red marks. Open the error log from the Sunday bosses.

6:25–6:40 pm Break
[college] Stand, water, no phone.

6:40–7:25 pm Weak units · questions
One weak unit from each paper. No new chapter.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm the other theory paper · second sitting
One page of the other theory paper you have already studied. Shut the book for the last 15 minutes. Rewrite the diagram you keep getting wrong.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Teach one red unit aloud for five minutes with the book shut.

23. Fri 4 Dec · Class day · B1.2

Forks and the listening check

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.
12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.2 · first sitting
Forks and the listening check. Three tuning-fork patterns, written as mini cases.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.2 · questions
Subjective calibration and the daily listening check.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm B1.4 · second sitting
One page of B1.4 you have already studied. Shut the book for the last 15 minutes. What you must not claim from a tuning-fork test alone.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Write the daily listening check as a five-step list.

24. Sat 5 Dec · Class day · B1.1 + B1.3

Put the chain on the body

Time Block What to do
6:15–7:00 am Morning recall
Book closed, 45 minutes, on yesterday's main paper. Then stop.
7:00–8:05 am Leave for college
[college] Breakfast. Hostellers board the 8:10 am bus. Be at the stop by 8:05.
8:30 am–12:30 pm College
[college] Classes and clinics on the weekly timetable. Not a self-study hour.

12:30–1:30 pm Lunch
[college] College lunch. Notes stay in the bag.
1:30–3:30 pm College
[college] Afternoon periods. A free hour means the clinical posting, not the library.
3:40 / 4:10 pm Bus home
[college] 3:40 pm shuttle, or 4:10 pm if you stayed back. Day scholars leave after 3:30.
5:00–5:15 pm Reset
[college] Snack. Ten minutes away from the phone.
5:15–6:25 pm B1.1 + B1.3 · first sitting
Put the chain on the body. Speech chain stages mapped onto respiratory, laryngeal and articulatory anatomy.
6:25–6:40 pm Break
[college] Stand, water, no phone.
6:40–7:25 pm B1.1 + B1.3 · questions
One disorder example beside the stage it breaks.
7:25–8:05 pm Dinner
[college] Eat away from the desk.
8:05–8:50 pm the other theory paper · second sitting
One page of the other theory paper you have already studied. Shut the book for the last 15 minutes. Leave B1.2 and B1.4 for the camp.
8:50–9:05 pm Close
Three-line error log. In bed by 10:30 pm.
Tick this day only after: Point to the anatomical structure for each box of the speech chain.

25. Sun 6 Dec · Sunday · Two papers

Boss: a timed short-note set

Time Block What to do
7:00–7:20 am Set the desk
Two papers only: First paper and the other theory paper. One notebook. Phone in another room.
7:20–9:00 am First paper · first sitting
Boss: a timed short-note set. Pick the two papers you trust least.
9:00–9:15 am Break
[college] Walk. Do not revise on the break.
9:15–10:45 am First paper · questions
Book open for 20 minutes, then closed. Ten short notes, 90 minutes, closed book.
10:45–11:00 am Break
[college] Snack.
11:00 am–12:30 pm the other theory paper · first sitting
Mark them against your own notes afterwards.
12:30–1:30 pm Lunch and rest
[college] Eat, then 20 minutes with your eyes closed.
1:30–3:00 pm the other theory paper · questions
Short notes. Mark them before you look anything up.
3:00–3:15 pm Break
[college] Step outside.
3:15–4:15 pm Mixed recall
Both papers, book closed.
4:15–4:30 pm Error log
Three points for the weekday evenings. Then stop. The evening is free.
Tick this day only after: Finish the ten notes. Score them honestly.

26. Mon 7 Dec · Study camp · B1.1

Camp: whole of speech-language pathology

Time **Block** **What to do**

7:30–8:00 am Blank map
B1.1. Write the unit headings you remember.

8:00–9:20 am B1.1 · block 1
Camp: whole of speech-language pathology. All five units, gaps only.

9:20–9:35 am Break
[college] Stand up.

9:35–10:55 am B1.1 · block 2
Two diagrams: speech chain, and a therapy-plan skeleton.

10:55–11:10 am Break
[college] Water and a short walk.

11:10 am–12:30 pm B1.1 · block 3
Fifteen closed-book recalls at the end of the afternoon.

12:30–1:30 pm Lunch
[college] No notes at the table.

1:30–2:50 pm Diagrams
Redraw the two figures you would need in the hall.

2:50–3:05 pm Break
[college] Outside.

3:05–4:15 pm Timed paper
Short notes, 50-mark pace. Stop when the clock stops.

4:15–4:30 pm Mark
List the gaps. Do not open a new chapter.

7:30–8:15 pm Evening recall
Read the gap list only. In bed by 10:30 pm.

Tick this day only after: Fifteen recalls, with the unit named beside each answer.

27. Tue 8 Dec · Study camp · B1.2

Camp: whole of introduction to audiology

Time **Block** **What to do**

7:30–8:00 am Blank map
B1.2. Write the unit headings you remember.

8:00–9:20 am B1.2 · block 1
Camp: whole of introduction to audiology. History and scope, only as a one-page map.

9:20–9:35 am Break
[college] Stand up.

9:35–10:55 am B1.2 · block 2
Hearing loss, forks, pure tone and speech audiometry are the weight.

10:55–11:10 am Break
[college] Water and a short walk.

11:10 am–12:30 pm B1.2 · block 3
One sketched audiogram and one case history.

12:30–1:30 pm Lunch
[college] No notes at the table.

1:30–2:50 pm Diagrams
Redraw the two figures you would need in the hall.

2:50–3:05 pm Break
[college] Outside.

3:05–4:15 pm Timed paper
Short notes, 50-mark pace. Stop when the clock stops.

4:15–4:30 pm Mark
List the gaps. Do not open a new chapter.
7:30–8:15 pm Evening recall
Read the gap list only. In bed by 10:30 pm.
Tick this day only after: Interpret one audiogram sketch: type, and the next test you would do.

28. Wed 9 Dec · Study camp · B1.3 + B1.4

Camp: both anatomy papers

Time Block What to do

7:30–8:00 am Blank page
Unit headings of B1.3 and B1.4, from memory.
8:00–9:30 am B1.3 · drawings
Morning: speech and swallowing diagrams.
9:30–9:45 am Break
[college] Water.
9:45–11:15 am B1.3 · functions
Afternoon: external, middle, inner ear and the pathway.
11:15–11:30 am Break
[college] Snack.
11:30 am–1:00 pm B1.4 · drawings
External ear, middle ear, cochlea, pathway.
1:00–2:00 pm Lunch
[college] Away from the desk.
2:00–3:30 pm B1.4 · functions
Functions written under the drawings, not a new textbook chapter.
3:30–3:45 pm Break
[college] Walk.
3:45–4:45 pm Timed notes
Five short notes, book closed, then mark them.
7:30–8:10 pm Gap list
The three misses only. No new chapter. Lights out by 10:30 pm.
Tick this day only after: Four drawings: larynx, swallow stages, middle ear, cochlea.

29. Thu 10 Dec · Study camp · All four

Exam eve: mixed sets, then stop

Time Block What to do

7:30–8:00 am Blank map
No notes. One line for the weakest unit in B1.1, B1.2, B1.3 and B1.4.
8:00–8:40 am B1.1
Closed book. Speech chain, development, one disorder overview.
8:40–8:50 am Break
[college] Water. Stand up.
8:50–9:30 am B1.2
One audiogram sketch and one tuning-fork case.
9:30–9:40 am Break
[college] Walk.
9:40–10:20 am B1.3
Drawings only: larynx and the swallow stages.
10:20–10:30 am Break
[college] No phone.
10:30–11:10 am B1.4
Middle ear, cochlea and the pathway, from memory.

11:10 am–12:30 pm Gaps only

Redo the one miss in each set. No new chapter.

12:30–2:00 pm Lunch and rest

[college] Eat, then lie down. Books stay closed.

2:00–4:00 pm Kit

Hall ticket, identity card, pens, pencil, water. Set the alarm. No study after 4:00 pm.

10:00 pm Lights out

[college] Sleep. Theory exams open tomorrow.

Tick this day only after: Pack the kit. Write tomorrow's wake-up time. Close the books.

The night before, and the morning of 11 December

- 10 December, 6:00 pm is the end of new reading in every campaign.
- Pack the hall ticket, identity card, pens, pencil, eraser and a bottle of water the night before.
- Eat, and sleep. A last unread chapter at midnight will not raise a 50-mark paper.
- On the morning of the first paper, read only the one-page map of that paper. Do not open a new unit.
- If the published timetable starts with a different paper, swap the camp days. Do not throw away the earlier levels.
- Clinical postings on examination days follow the department notice, not this booklet.

Prepared for students of the Department of Audiology and Speech-Language Pathology, Yenepoya (Deemed to be University), from the RCI curriculum (academic session 2024-25) and the Controller of Examinations notification dated 06.11.2026. Class coordinator: Mr. Hemaraja Nayaka S.
